FOTON 30

Introducing the first fully automated desktop laminator that feeds, laminates and trims with the touch of a button. FOTON 30 revolutionises the way you laminate. Equipped with built-in auto feeder and trimmer, FOTON 30 delivers automatic lamination - freeing up your time for other activities.

Load and Go operation!

FOTON 30 starts automatically after warm-up. Load papers. Push button. Walk away.

Hands Free Lamination

Integrated 30 page sheet feeder with de-skew ensures documents are straight when entering the laminator. No more feeding pouches one at a time.

Easy Supply Loading

Easy to load, self-threading cartridge makes changing film simple.

Never load a pouch again!

Product Specifications
